

**This event is for all the people living in Tokushima, regardless of age, gender, religion and nationality.**

**Wednesday, December 23 (National Holiday), 14:00-16:00** You can come anytime during this time.

Join us for free program to appreciate and enjoy the paintings and sculptures! It also features fun games, quiz and the introduction to the foreign languages (by the International students) that both children and adults can enjoy. There are a lot of great works by well-known artists, such as Picasso and Yoshitomo Nara and many more in the Museum. We look forward many of you to experience this wonderful program!
